TRUCK BODY PARTS

1997 yılında Konya’da plastik enjeksiyon kalıp imalatı sektöründe ENDÜSTRİYEL HİZMETLER LTD.ŞTİ. adı altında kuruldu. Günümüzün Teknolojisine uygun olarak CNC ve CAD\CAM desteği ile hizmet vermekteyiz. Maddi kazançtan öte kaliteye ve müşteri memnuniyetine önem veren EN OTOMOTİV 2012 yılından itibaren talep üzerine MAN-MERCEDES kaporta yedek parça üretimine başlamıştır Kendimize kaliteli ve rekabetçi piyasada geniş ürün çeşidi yapmaya adanık.

EN OTOMOTİV olarak ürünlerimizde kullanılan hammaddeler1 sınıf mühendislik plastikleri olup, orijinal hammadde kullanılarak üretilmektedir. Siz değerli müşterilerimize her geçen gün artan ürün çeşitleri ile hizmet vermekten onur duyarız.

.....

Our company has been founded under the name of “Endüstriyel Hizmetler (Industrial Services)” at the sector of mold manufacturing in the year of 1997.Since that time we have been servicing our customers as a support of CNC and CAD\CAM by following modern technologies.

We decided to be in a parallel sector to our existing services and westarted to produce MAN-MERCEDES body spare parts as a result of our customer’s demands in 2012 under the name of “EN OTOMOTİV”.

Our mission is to take a good place in the very competitive market with a very wide range of products in our sector by using first quality and orignal raw materials .

Our vision is to be a well known and permanent manufacturer in our very competitive sector by dedicating ourself to quality and customer satisfaction.

When we saw that you (our customers) are satisfied by quality and wide range of our products it will be our honour.
